OTHER DETAILS

Purpose / Strategy of Investment: Using the growth achieved in this niche market, the goal of the investment by Kızılıbük Gayrimenkul Yatırım Ortaklığı A.Ş. (Kızılıbük REIT Corporation) is to render the Thermal, Time Share, Hotel, Wellness and SPA concepts of the Marmaris Wellness Resort project a chain in consequence of the investments to come in particularly the thermal destinations of Turkey. The priorities are Balıkesir, Bursa, Denizli, Bolu and Afyon cities of Turkey which distinguish with their thermal sources. Exchange programs will be offered to the customers of the “Kızılıbük World” with the new facilities of the chain. This will sustainably increase the number of customers as well as the rich accommodation opportunities in varying facilities every year. The chain strategy will maximize customer satisfaction on the one hand while offering a dynamic and sustainable balance - profitability growth for the investors of the company on the other.
